Dear Name

Welches Water Company (WWC) is providing you with the following information you need as the new owner of property connected to our water company system. Property owners with a water connection are members of the Welches Water Corporation. Our water rights granted to us from the State of Oregon in 1927 only allow 130 connections to our system.

WWC is governed by a volunteer Board of Directors. The Board of Directors acts under established Rules and Regulations for the Welches Water Company and acts on and regularly updates a Master Plan for system maintenance, repairs, and upgrades. These documents along with other information can be found on our website: https://welcheswater.com (tag line: Our Secret is Nature). Please familiarize yourself with our By-Laws and Rules & Regulations – with particular attention to the definition of domestic water and the approved use of this important and limited resource.

You will find enclosed Rules and Regulations for WWC, information on billing process and past due collection procedures, and an Owner Information Form that should be completed and returned as soon as possible.

We encourage members to set up automatic payment through your bank. Most banks will do this free of charge. It is a convenient option for paying your water bill and ensures that WWC receives your payment on time.

A WWC Annual Meeting is held in August for all members. Additionally, all members are invited to attend Board Meetings which are held approximately on a quarterly basis. Meeting dates are listed on the website. Currently meetings are being held virtually via Zoom. Location and logistics for future meetings will be based on Covid19 safety guidelines as they are updated. Please contact WWC Board Secretary, Maggie Skenderian at skenberg@gmail.com to let her know your preferred method of communication regarding Board Meetings.

Best regards,

Raymond T. Miller
President, Welches Water Company
